19 1. A Robert Fred Girdley contacted me via telephone

2. Mr. Robert Fred Girdley provided me with the necessary bonding documents as well as the qualifying power of attorney forms, which I used to post bail bonds with.

3. Mr. Tripathi never asked me to post any bail bonds.

4. Before testifying for the State of Arizona, I had numerous conversations with Donald E. Conrad and informed him of the above. I was advised by Mr. Conrad that my cooperation with the State of Arizona was necessary in the prosecution of Mr. Tripathi. I was never required to pay the \$140,00.00. I was not charged by the State of Arizona, nor was any official action by the State taken against me that affected me personally or my bail bond license.
